

Rooted in possibility.

A warm, confident identity for connecting farms and communities.
Earthy color, expressive typography, and a clear, unmistakable mark.

01 / PRIMARY LOGO

The full brand signature

02 / LOGO ICON

The compact brand mark

Lead with the full logo.

Use on covers, websites, and first introductions. Keep the original proportions and generous space around the mark.

Use the icon where space is limited.

Use for avatars and supporting brand moments. Keep both marks white on a solid dark or saturated background. Never stretch or add effects.

Expressive accents

SUPPORTING TONES  Sage #E9EDDA  Charcoal #252A26

Let green and cream lead. Use yellow and orange for moments of energy, sage for soft panels, and charcoal for body copy. Set small text in green on cream or yellow, or in cream on green.

Good food. Greater possibility.

Natural imagery. Rounded shapes.
Room to breathe. A human voice.

A voice with character.

Three complementary typefaces bring boldness, warmth, and clarity.
Use the project’s supplied font files to keep every touchpoint consistent.
